

Financial Information

The cost of your orthodontic treatment will vary depending on your individual needs and treatment plan. Our Treatment Coordinator will discuss with you the cost of your treatment and the suggested payment plan, so that you can make the best choice for you and your smile. We will work with you to create a payment plan that fits your budget, and you will know exactly what to expect before beginning treatment. (no hidden extras)

Affordable payment plans

Your smile is yours forever, and we want to make it as easy as possible for you to receive the best orthodontic care whenever you need it.

Many families pay their monthly fee installments by giving us their credit card numbers; we help make it as easy as possible.

If wishing to make a claim through your health insurance policy for orthodontics, this often comes under the same 'umbrella' as dentistry.

If you require detailed information for your insurance claim we are happy to provide this.
